WORKFORCE TRAINING CAPABILITY STATEMENT

Building Job-Ready IT, Cybersecurity, and AI Talent Through Hands-On Training, Industry Credentials, and Employer-Aligned Career Support

1 COMPANY OVERVIEW

DCI Resources, LLC is a workforce training and technology services company founded in 2009.

We help workforce partners, employers, and community programs prepare learners for entry-level and advancement roles in IT, cybersecurity, cloud, data, and AI-enabled work.

Our model combines instructor-led training, hands-on labs, certification preparation, testing support, and job-readiness coaching to help participants build practical skills, earn recognized credentials, and move toward meaningful employment.

2 CORE TRAINING CAPABILITIES

TECHNOLOGY CAREER PATHWAYS
IT Support, Cybersecurity, Cloud, AI & Machine Learning, Networking, Data Skills, Business Technology, and Emerging Tech.

INDUSTRY CERTIFICATION PREPARATION
CompTIA, Microsoft, AWS, Cisco, and emerging AI certifications.

HANDS-ON LEARNING
In-house labs, simulations, cloud/networking, AI literacy, LMS practice, and custom practice exams.

CAREER READINESS & JOB PLACEMENT
Resume support, interview prep, coaching, job matching, and employer connections.

3 WORKFORCE EXPERIENCE

- Industry certification preparation
- Hands-on IT, cybersecurity, cloud, and AI training
- Job placement and career readiness support
- Student progress tracking and reporting
- Workforce-aligned training for diverse learners
- Experience supporting grant-funded and employer-aligned initiatives

4 DIFFERENTIATORS

- End-to-end training: instruction, labs, credential prep, testing support, and career readiness.
- Employer-aligned curriculum focused on real IT, cybersecurity, cloud, data, and AI workplace tasks.
- Custom in-house labs and practice exams tailored to certification objectives and learner needs.
- Proven outcomes: **92% credential attainment rate.**
- Flexible remote, hybrid, and in-person delivery for workforce and employer partners.

5 TARGET POPULATIONS SERVED

- Young adults and opportunity youth
- Adult learners seeking job-ready digital skills
- Dislocated workers and career changers
- Corporate employees (upskilling and reskilling programs)
- Low-income and public-benefit participants
- Underemployed and incumbent workers needing upskilling
- Veterans, government, and public-sector workers

CORPORATE TRAINING SOLUTIONS
We also deliver customized training and upskilling programs for corporations and organizations—helping teams build their IT and digital skills needed to stay competitive and drive business growth.

6 OUR TRAINING APPROACH

PRACTICAL & HANDS-ON	Real-world labs, scenarios, and simulations that build confidence and competence.
CREDENTIAL-ALIGNED	Training mapped to industry certifications, employer needs, and career pathways.
SUPPORTIVE & MEASURABLE	Progress tracking, learner analytics, coaching, and continuous feedback.
AI-READY & JOB-FOCUSED	Integrating AI concepts and tools to prepare learners for the future of work.
